

Private Work Fees 2024

If you request work that is not provided for under the terms of the NHS Primary Care Services contract, your GP may be happy to undertake such work for you, but, as this is a private service, you will incur a charge for completion of your request. Payments can be made in cash or via BACS transfer but must be paid prior to the completion of the work undertaken.

We will usually commit to complete the work that you have requested within 28 working days from receipt. Should this not be possible, for example due to GP holidays or requests for a larger than normal piece of work, our staff will inform you.

All reports are carried out at the GP's discretion and as a practice we do not undertake:

- Confirmation of identities, proof of address or confirmation of life
- Legal aid
- Power of attorney
- Vision assessment as part of a private medical.
